Author Index

Akinar, Y. & Hartley, J.R., *Designing interactive learning environments*, 33

Braid, P. (see Wild, M.)

Calder, J. (see Robertson, S.I.)

Collis, B., Parisi, D. & Ligorio, M.B., *The adaptation of courses for trans-European tele-learning*, 47

Fox, N.J., *IT culture in medical edcuation*, 78

Fung, P. (see Robertson, S.I.)

Rimar, G.I., *Message design guidelines for screen-based programs*, 245

Gunn, C. & Maxwell. L., *CAL in human anatomy*, 205

Hartley, J.R. (see Akinar, Y.)

Jackson, A. & Kutnick, P., *Groupwork and computers: task type and children's performance*, 162

Jones, A. (see Robertson, S.I.)

Joy, M. & Luck, M., *Software standards in undergraduate computing courses*, 103

Khan, T. & Yip, Y.J., *Pedagogic principles of case-based CAL*, 172

Kutnick, P. (see Jackson, A.)

Lambrechts, G. (see Robertson, S.I.)

Lewis, R., Editorials:
Communication channels, 1
Cooperation or collaboration?, 65
Technology for human use, 129
Cooperative learning at a distance, 193

Ligorio, M.B. (see Collis, B.)

Luck, M. (see Joy, M.)

Maxwell. L. (see Gunn, C.)

McDougall, A. (see Squires, D.)

Neilson, I. & Thomas, R., *Designing educational software as a re-usable resource*, 114

O'Shea, T. (see Robertson, S.I.)

Oliver, R., *Measuring users' performance with interactive information systems*, 89

Parisi, D. (see Collis, B.)

Persico, D., *Courseware validation: a case study*, 232

Rimar, G.I., *Message design guidelines for screen-based programs*, 245

Robertson, J., *Promoting IT competences with student Primary teachers*, 2

Robertson, S.I., Calder, J., Fung, P., Jones, A. O'Shea, T. & Lambrechts, G., *Pupils, teachers & Palmtop computers*, 194

Rogers, L. & Wild, P., *Data-logging: effects on practical science*, 130

Squires, D. & McDougall, A., *Software evaluation: a situated approach*, 146

Thomas, R. (see Neilson, I.)

Wegerif, R., *Collaborative learning and directive software*, 22

Wild, M. & Braid, P., *Children's talk in cooperative groups*, 216

Wild, M., *Mental models and computer modelling*, 10

Wild, M., *Investigating verbal interactions when primary children use computers*, 66

Wild, P. (see Rogers, L.)

Yip, Y.J. (see Khan, T.)
